## Creating the Album Base

1. Using the Sale-a-Bration Scallop Trim Border punch, punch Sweet Pea DSP along both 4  $\frac{3}{4}$ " edges. Fold DSP in half so scallop edges meet.
2. Place 4 Glassine Bags (sealed edge flush with DSP Fold) inside folded DSP. (Bag openings should be out). Trim approx  $\frac{1}{4}$ " from the raw edge of each bag to create a straight edge.
3. Using sewing machine, stitch along binding (approximately  $\frac{1}{4}$ " from edge). This creates your Glassine Bag Album, which we will be decorating with stamping and lots of embellishments!

## Decorating Album Cover

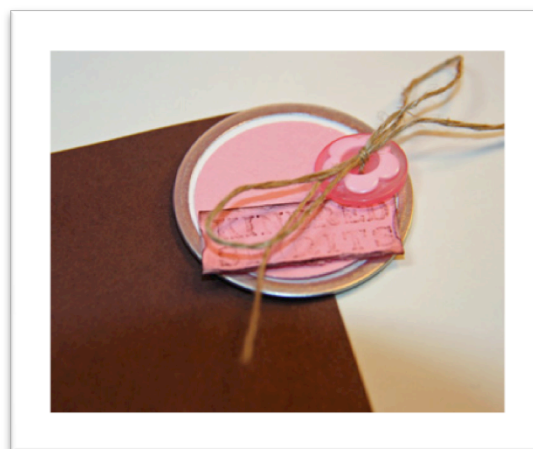

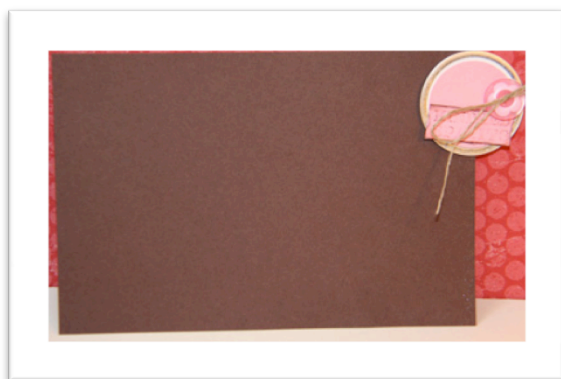

1. Cut approximately 25" of Pretty in Pink 5/8" Satin Ribbon. Place under Sweet Pea DSP (Scalloped Trim edges are not secured with adhesive) and wrap around binding. Tie bow and trim ends on angle with scissors.
2. Cut 6" of Linen Thread. Wrap Linen Thread under knot of satin bow. Thread Linen Thread through holes of Pretty in Pink Corduroy button and tie in bow.
3. Ink Friendly Words Jumbo Wheel using Chocolate Chip ink. Roll wheel over one piece of Chocolate Chip cardstock (4 3/8 x 5 3/4") to cover the top completely.
4. Using Corner Rounder, punch 2 corners on right side (4 3/8" edge). Sponge around edges of Chocolate Chip cardstock using Chocolate Chip ink.
5. Adhere to front of Glassine Bag Album using dimensionals by tucking under Sweet Pea DSP.
6. Punch Extra Large Fancy Flower (2) using Pretty in Pink cardstock. Rough Extra Large Fancy Flower by pulling paper back and forth between thumb and bone folder. Repeat this process on both sides of cardstock until paper fibers begin to break down. You will see edges begin to separate or fray. When the paper begins to separate, begin pulling the flowers away from each other. One flower will turn into two making the flowers look like Faux Felt. Repeat on 2<sup>nd</sup> flower (Should have total of 4 Faux Felt Flowers).
7. Using 3/4" circle punch, punch circle using scrap of Chocolate Chip cardstock. Adhere to front of one Faux Felt Extra Large Fancy Flower using adhesive.
8. Layer 4 Faux Felt Flowers on top of one another (felt side up). Using paper piercing tool and mat pack, pierce hole in center of flowers. Place Pretty in Pink 1/2" Epoxy Brad in center and fasten.

9. Punch Leaf (from Two Step Bird Punch) twice, using Old Olive cardstock. Adhere to back of Faux Felt Extra Large Fancy Flower using adhesive.
10. Place Pop-Up Glue Dot on back of Faux Felt Extra Large Fancy Flower and adhere to bottom right corner of Chocolate Chip album cover.
11. Punch Two Step Bird using Creamy Caramel cardstock. Ink Very Vintage Jumbo Wheel using Chocolate Chip ink and gently wheel bird and wing. Sponge around bird and wing using Chocolate Chip ink.
12. Adhere wing to bird using a dimensional. Adhere bird (slightly tucked under Faux Felt Extra Large Fancy Flower) to album cover using dimensional.
13. Mix Frost Shimmer Paint and Rubbing Alcohol in mini spray bottle. Spritz album cover using Shimmer Mist to add finishing touch.  
*This spray will also make your faux felt flower crinkle a little.*
